

Ngaka Modiri Molema District Municipality is establishing a comprehensive database of SMMEs and Co-operatives within the district.

The database will be used to enable the district municipality and its partners to plan and implement programs for SMME and Co-operatives' development. SMMEs are therefore requested to complete and submit a data collection form at their local municipal offices (LED Department). Forms can be obtained from the nearest municipal offices and can be downloaded from the district website www.nmmdm.gov.za and emailed back to montshoa@nmmdm.gov.za

Data collection forms

Business Name	
Type of Service (Sector)	
Company Registration Number
