Colleagues, as we continue to celebrate the 20 years of South African Constitution which is regarded as the pillar to Democracy, we remain resolute that as this Council of Ngaka Modiri Molema District Municipality we will continue to provide quality services and committed to go "**Back to Basics**" in addressing the plight of our communities.

"Leaders in integrated municipal governance"

Councillors the 16 days of Activism for No Violence against Women and Children continue to request our indulgence in protecting our Women and Children, thus continuing with the slogan of “**#Count me in: together moving a non-violent South African Forward**”. The protection of Women and Children should be a 365 days’ work
