The Executive Mayor,

All Councillors present today;

Municipal Manager;

All Senior Managers and Officials present here;

Members of Public in the gallery;

Dikgosi tsa rona.

Ke re go lona lotlhe, Dumelang.

As a symbol of remembrance, let us all stand up and bow our heads in sympathy with the Mothibi Family and Ngaka Modiri Molema District Municipality for the loss of our colleague, Mr Dipadi Albert "Malome Banzene" Mothibi, who passed on, on the 21st of March 2018.

Mr Mothibi was attached as a Road Worker Aid based in the Department of Public Works & Basic Services within the Municipality, it is with sadness to have lost such a committed colleague, as around 2016/17 Mr Mothibi was involved in an accident whilst on duty.

Councillors, this is the month of "**Human Rights**", under the theme, "***Nelson Rolihlahla Mandela: Promoting and deepening a human right Culture across society***" as we further joins South Africa in celebrating the centenary of Tata Nelson Mandela and Mme Albertina Sisulu in remembrance of the vital role they played. We can learn from their lives as they lived to serve the people

Today, Executive Mayor as we discuss amongst other items, the draft Integrated Development Plan as well as the draft budget, we need to continue putting people first and our contribution to the development of Village Township Small Dorpie should be at the helm of our plans.

Councillors, I will continue to remind this Council that as South Africans we all have a gift of the spirit of Ubuntu, therefore it is vital to embrace this gift by enhancing quality service delivery to our constituency in a manner that subscribes to Batho Pele Principles and ensure that the **“Roma Nna” Setsokotsane 10x10 Campaign** is implemented on a monthly basis as per the directive of the fifth administration led by Premier SOR Mahumapelo.

Together, we continue to move Ngaka Modiri Molema District and Bokone Bophirima forward in restoring Human dignity.
