### MEDIA STATEMENT

#### **Matric 2019 Well Wishes**

The Ngaka Modiri Molema District Municipality Executive Mayor, Cllr Tshepo Justice Makolomakwa together with its Council take this opportunity to wish the greatest of luck to all Matriculants in Ngaka Modiri Molema District Municipality and the North West at large, as they have already started with the 2019 final Matric Examination.

"You entered the year with great determination not knowing fully well what to expect for this last year of schooling. The Municipality is proud as we observed your commitment towards this task in taking extra mile approach by attending extra classes, some even went to winter school camp to brush up their knowledge. Let your hard work shine for itself. This is the final hurdle which we all make noise about. Go in there and show off your entire thirteen (13) years of hard work" : said the Executive Mayor.

He added that parents should support their children in this last school, due to the fact that some kids may feel pressured by us and the society to do well. "Even if they don't, let them come home to a safe environment. Let us be their pillar when the world seems to not favour them." : Makolomakwa concluded.

The District has been doing well in their final exam results obtaining good positioning in the province but the Executive Mayor highlighted that the District has to be in the first position spot.
